GARBAGE AND RECYCLING COLLECTION RESUMES AS NORMAL.

All residents can help clean up the community by placing their waste and debris in three separate piles at the curb:

1. Put garbage and recyclables out by 6 a.m. on your regularly scheduled day. These will be picked up first.
2. Put all vegetation **only** in a second pile.
3. And, put all other construction storm debris in a third pile

Be sure to keep these three piles separate and away from:

- Fences
- Mailboxes
- Power line equipment, poles, transformers, downed electrical wiring
- Water meters
- Fire hydrants or
- Storm drains
