

PUBLIC NOTICE

SR 800 / SPANISH RIVER BOULEVARD BRIDGE PAINTING PROJECT

Please accept this as notice that beginning approximately on **July 12, 2019** the Florida Department of Transportation will commence the SR 800/Spanish River Boulevard Bridge Painting Project. The project is anticipated to be completed in Winter 2019.

Project Improvements

The project's scope of work includes sandblasting the existing paint and repainting the steel bridge structure, repairing and rehabilitating the bridge span locks, and replacing the bridge piling jackets.

Traffic Impacts

- Lane closures **may** occur daily and nightly, Monday through Sunday, with the following *exceptions*:
 - Westbound lane closures are not permitted 7:00 a.m. - 9:00 a.m.
 - Eastbound lane closures are not permitted 2:30 p.m. - 7:00 p.m.

- Full bridge closures are **permitted** for a total of 4 (four) weekends at any point during the project duration
 - Full closures **may** begin at 5:00 a.m. Saturday ending by 5:00 a.m. the following Monday
 - Notice to the public will be provided in advance of any full closure and advertised on lighted message boards
 - **Northbound motorists may detour via Linton Boulevard**
 - **Southbound motorists may detour via Palmetto Park Road**
