#### Taxable Assessed Values

The adopted operating millage rate of 3.1204 is 1.44% higher than the FY 2017-2018 adopted rate of 3.0762 and 4.83% higher than the computed rolled back rate of 2.9765. The debt service millage rate is 0.5986, a decrease from the prior year rate of 0.6197. Therefore, the total adopted millage rate for the Town of Highland Beach is 3.7190, an overall increase of 0.0231 mills. The increase in the operating millage rate was calculated to specifically cover the increase in cost of the Fire Rescue contract with the City of Delray Beach as well as costs associated with added professional services necessary to carry out the Town's priorities over the next year and beyond. These added services include the hiring of an environmental consultant, a part-time accounting clerk, a full-time maintenance worker, increased legal fees, and a climate change study. Although this budget includes over \$125,000 in additional costs for in-house Building Department services, the increase is expected to be covered by permit fees and not by a higher tax rate. Fire Rescue and other additional services are discussed later in this document. The adopted millage rates were calculated on the July 1<sup>st</sup> property values as certified by the Palm Beach County Property Appraiser.

### **Revenues**

The Town's primary source of revenue is ad valorem taxes, making up more than 75% of the total General Fund budget. Over reliance of a single revenue source may present funding challenges as the revenues can be negatively impacted by State legislation. Thus, it is important that the Town continue efforts to identify and diversify revenues where available to help fund operating costs that continue to rise. The Town's adopted operating millage rate is set at 3.1204 which is an increase from the previous year 2017/2018 adopted rate of 3.0762. Therefore, the fiscal year 2018/2019 projection for ad valorem taxes is increased when compared to the fiscal year 2017/2018 adopted budget. Other major revenue categories, including Electric Franchise Fees, Communication Services Tax, Permit Fees and State Revenue Sharing are trending upward.

### **Rates and Fees**

The Solid Waste and Recycling Fees set by the Town are sufficient to cover the contractual costs for collection and disposal. The water and sewer rates are estimated to increase by 3% in accordance with the rate plan adopted by the Commission in fiscal year 2016. This increase will generate an estimated additional \$75,000 in water fund revenues and \$39,000 in sewer fund revenues. As of the writing of this document, the Town is considering a professional review of the planning, zoning, and permitting fees. The Town anticipates this review will result in an adjustment to the fee structure to accurately account for the rising costs of providing those services.

### **Personnel**

Local government is primarily a service-based industry; thus, personnel costs (including outsourcing) typically dominate the budgets. As such, the Town's personnel costs (including outsourced jobs) represent approximately 68% of the total general fund budget. The Town outsources legal services, fire rescue and medical services, and solid waste/recycling collection services. This proposal includes funds for an environmental consultant/lobbying firm as well. In-

house staffing is increased by four full-time equivalent positions. The increase in staffing is discussed later in this document.

The proposed budget includes generous compensation for all bargaining and non-bargaining unit employees. Per their respective collective bargaining agreements, covered employees will receive merit raises of 0-5% in October 2018 based on performance. Non-bargaining employees will also receive 0-5% merit raises in October 2018. An approximate 20% rate reduction in health insurance premiums will result in substantial annual savings that may be used to fund the merit raises and the proposed increase in staffing. The reduction in health insurance cost was due to a change in health insurance plans to one that was more equitable with other municipalities.

### **Pension**

The Town participates in the Florida Retirement System (FRS). The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists a multiple-employer defined benefit plan and other nonintegrated programs. The Town's total estimated pension contributions for fiscal year 2018/2019 are estimated to be \$629,000. The Florida Legislature establishes uniformed contribution rates for participating employers and employees. Contribution rates for the fiscal year are estimated to be as follows:

<b>Class</b>	<b>Percent of Gross Salary October 1, 2018 to June 30, 2019</b>		<b>Percent of Gross Salary July 1, 2019 to September 30, 2019 (estimated 5% increase)</b>	
	<b>Employee</b>	<b>Employer</b>	<b>Employee</b>	<b>Employer</b>
Regular	3.00	8.26	3.00	8.67
Special Risk- Police	3.00	24.50	3.00	25.73
Elected Officials	3.00	48.70	3.00	51.14
Senior Management	3.00	24.06	3.00	25.26
DROP	0.00	14.03	0.00	14.73

### **Other Insurance Premiums**

The fiscal year 2018/2019 budget anticipates a 10% increase in property and liability insurance premiums due to the effects of Hurricane Irma. Workers Compensation premiums are anticipated to remain unchanged. Total budget for property, liability, and workers compensation insurance is estimated to be \$300,000.

### **Capital Improvements and Major Repairs/Replacement**

The proposed budget includes a number of capital improvement, replacement and major repair project requests. The general fund requests include the replacement of the one police patrol vehicle and the HVAC control system in the Public Works Building. The Special Revenue fund requests include \$274,000 for professional design, architectural, and planning of the Ocean Walk and More

Project. The water fund requests include \$360,000 for major capital improvement projects, such as replacing programmable logic controllers which are becoming obsolete (\$185,000), rehabilitation of well #7 (\$175,000), and a combination of other smaller capital improvement projects such as replacing production well backflow devices that make up the balance. This is in addition to \$220,000 for a variety of renewal and replacement projects. The sewer fund requests total \$185,000 in capital projects and include two spare sewage pumps as well as evaluations and analysis of major infrastructure to determine overall condition and potential replacement in future years.

### **Balancing the Budgets**

The proposed general fund budget for fiscal year 2018/2019 requests the use of \$698,256 of prior-year budget surplus (appropriation from reserves). This budget surplus is the surplus balance carried forward from prior years, commonly referred to as fund balance. This budget surplus has been available because of the Town's fiscally conservative practices of projecting revenues and carefully expending taxpayer dollars. The July 1, 2018 taxable values are the highest in the Town's history, but the increases are not enough to cover the projected cost of providing the increased municipal services for fiscal year 2018/2019. The proposed use of fund balance allows the Town to meet all obligations for the fiscal year, provides for adequate capital improvements, and attempts to ensure a high level of service to the Town's people.

## Overview of General Fund Revenues

The General Fund accounts for practically all of the Town's basic operating functions. Ad valorem taxes represent over 75% of the General Fund revenue. Other major revenue sources include Electric Franchise Fees, Communication Services Tax, Permit Fees, Solid Waste/Recycling Fees, and Half Cent Sales Tax.

Fund: 001 - GENERAL FUND REVENUES	FY 2017 Actual	FY 2018 Budget	FY 2019 Requested	\$ Change	% Change

*Ad Valorem Taxes*- The Town is authorized under State Statute to levy up to 10 mills of property tax for operating purposes. The proposed operating millage rate is 3.1204, which is an increase from fiscal year 2017/2018. This rate is predicated upon the preliminary taxable value amounts issued by the Palm Beach County Property Appraiser for June 1. The July 1<sup>st</sup> certified tax base values show an increase in the assessed values of 3.63%, equating to \$354,500 in additional budgeted revenue, using the 3.1204 millage rate. The debt service millage rate was set at 0.5986, a decrease from the current rate of 0.6197. Therefore, the total proposed millage rate for the Town of Highland Beach is anticipated to be 3.7190, an overall increase of 0.0442 mills. The Town continues to have one of the lowest operating millage rates among the cities in Palm Beach County. The total proposed millage rate of 3.7190 equates to approximately \$8.9 million in tax revenues, of which \$7.45 million is for operating and \$1.43 million is for debt service.

*Gas Taxes* - The Town receives a share of gas taxes levied by Palm Beach County based upon its population relative to other incorporated cities in the County, and the taxes are levied as pennies per gallons of fuel sold. This revenue source, which is based on fuel consumption, has been steady during the past several years even as fuel prices have fluctuated. Budgetary projections are established based using trend analysis, taking into account any changes in tax policy. The FY 2018/2019 budget projection is slightly higher than the current year projection.

*Franchise Fees* - The Town receives Franchise Fees from Florida Power and Light (FPL) equal to 5.9% of gross sales and Florida Public Utilities equal to 6.5% of gross sales in exchange for allowing them the right to conduct business in the Town's rights-of-way. These revenues are based upon the trend of actual collections, combined with any changes in franchise fee rates. The fiscal year 2018/2019 budget increased due to higher receipts in recent years, along with a small increase in FPL residential rates. Therefore, fiscal year 2018/2019 proposed revenues (FPL- \$398,000 and FPU- \$18,000) are higher than the FY 2017/2018 adopted budget.

*Utility Services Tax* - This category includes Communications Services Tax, with a rate of 5.22% and proposed revenue of \$276,000 a slight increase from the current year projection. This revenue source has been steady for several years.

*Licenses and Permits* - This revenue is generated from construction permits and fees. Building activity in the Town has remained steady, due to trends in the economy and the real estate market. The past few years have seen a large number of permits for single family home demolition and rebuilds, due to the Town's reputation for being one of the premier communities in South Florida. The current year collections for permits and plan reviews has surpassed \$465,000 and the fiscal year 2018/2019 budget is projected at \$550,000. Although it is evident that the building trend is not slowing down, the budgeted amounts are cautiously optimistic. Construction permits and fees are solely intended to generate revenue for the full recovery of

building inspection and safety for new construction and improvements, and no portion generates general revenue for any other operating purpose.

*Intergovernmental* - These revenues are derived from other governmental units including the Federal Government, State of Florida, and Palm Beach County. Most of this revenue is comprised of distributions from the State of Florida, which includes State Revenue Sharing that is authorized by Florida Statutes, collected by the State, and distributed to all municipalities based upon formulae that use population as a key variable. The proposed budget includes \$406,900 in State distributions, including State Revenue Sharing (\$87,000), Half-Cent Sales Tax (\$282,000) as well as smaller items like Alcoholic Beverage Licenses, Motor Fuel Rebates, and Recycling Revenue Sharing Program and FDOT Streetlight Subsidy.

*Charges for Services* - In order to deliver services expected by the community, the Town has established a comprehensive rate schedule of Charges for Services. Revenues in this category are fairly stable. The most significant of these services in terms of revenue generated are Solid Waste/Recycling Fees (\$466,000).

*Fines and Forfeitures* - Fines are levied against violations settled in Palm Beach County Court, parking citations, code enforcement violations, and overdue library books. Total fines and forfeitures projected for fiscal year 2017/2018 are \$9,000 based on year-to-date receipts and pending fines to be paid. The primary intent of any fine is to achieve compliance with the Town Code rather than generate a revenue stream to balance the budget. The Town is conservative in budgeting for fines, especially Code Enforcement, and the budget for fiscal year 2018/2019 for all fine revenues is \$10,700.

*Miscellaneous* - Revenues in this category include interest earnings, rent and cell tower lease payments, administrative reimbursements from other funds, ambulance transport fees, and other general revenue items. Interest earnings are projected to increase, as the Town's investment portfolio was adjusted in the current year. The adjusted portfolio remains consistent with the Town's investment policy and is primarily focused on preservation of principal. Rent and lease payments are based upon contracts with the U.S. Postal Service and Sprint. Projections for ambulance transport fees are based on trend analysis of the prior years. The total budget for this category is up 20% to \$517,600.

*Use of Budget Surplus* - The proposed budget includes the use of \$698,256 use of prior year budget surplus. Based on the projections used in preparing this proposed budget, the Town should finish the current fiscal year with a fund balance of approximately \$8.7 million, which is comprised amounts required by Town Commission policy, such as funds assigned for disaster recovery and budget stabilization.

## Overview of General Fund Expenditures

The General Fund is the primary operating fund of the Town. The Police and Fire Departments make up the largest portion of the overall budget, followed by Public Works, Building Department (formerly also known as Protective Inspection), Solid Waste/Recycling, and the Library.

Fund: 001 - GENERAL FUND EXPENDITURES	FY 2017 Actual	FY 2018 Budget	FY 2019 Requested	\$ Change	% Change
TOWN COMMISSION	118,676	129,600	<b>183,256</b>	53,656	41.40%
TOWN MANAGER	284,853	326,150	<b>447,550</b>	121,400	37.22%

RESERVE FOR CONTINGENCY	51,293	196,000	<b>172,300</b>	-23,700	-12.09%
<b>Total Expenditures</b>	<b>10,363,233</b>	<b>13,673,400</b>	<b>12,303,956</b>	<b>-1,369,444</b>	<b>-10.02%</b>

*Town Commission* – The Commission budget includes compensation for the five elected officials, stipends paid to advisory board members, funds for legal advertisement, and funds for community events such as Light Up the Holidays.

*Town Manager* – This department provides funds for the Town Manager and Public Information Coordinator. This budget has increased over \$100,000 (37%) due to a proposed full-time contractual environmental consulting/lobbying firm that will be tasked with identifying and securing Federal and State funds for protecting and preserving the Town's beaches. The cost of this professional firm is anticipated to be approximately \$100,000.

*Town Clerk* – The Town Clerk's budget is up slightly and will provide a website upgrade that will provide greater efficiency in public records requests.

*Finance* – The proposed department budget is only slightly higher than the current year. The main change is \$15,000 in additional funds for an interim audit or other procedures. This budget may increase next budget season if it is confirmed that a part-time clerk is necessary to maintain proper internal controls and customer service.

*Legal* – The legal counsel budget covers the cost of the Town’s general counsel provided by the Law Office of Torcivia, Donlon, and Ansay. The budget is projected to increase 42% to \$200,000 based on a variety of projects that will require increased legal advisement over the next few years.

*Public Works* – The Public Works Department includes funds to reclassify it’s one part-time position to a full-time position. The reclassification is anticipated to cost approximately \$42,000 and will greatly improve the department’s ability to provide preventive maintenance of town facilities. Preventative maintenance should equate to cost savings over long-term, thereby justifying the position. Operating expenses within the budget are increased by \$83,000, which includes \$35,000 in professional fees for a phased climate change study that will provide insight into what measures the Town should be taking for its long-term sustainability. The total budget is down due to the \$2.1 million streetscape project failing at referendum. The project will be re-envisioned for a future referendum.

*Post Office* – The Town operates a United States Postal Services contract postal sub-station. The USPS subsidizes the cost of operations with an annual payment of \$25,000. The department is staffed by 1 full-time and 2 part-time employees. The proposed budget remains status quo.

*Other General Government* – The budget includes expenses for information technology systems and support, the general fund’s portion of property, liability, and auto insurance, as well as funds for the Town’s telecommunication services. Overall the budget has decreased by over \$57,000 due to upgraded network and phone technology.

*Police* – The Police budget includes funds to pay for the operations of the department. The request includes pay increases in accordance with the Collective Bargaining Agreements as well as 5% increase in the number of hours officers will work annually. Furthermore, the Town recently entered into an interlocal agreement with the City of Delray Beach for dispatch services. This new service with an annual cost of approximately \$70,000 will improve the efficiency of police response and the effectiveness of the department’s communication. The department request also includes the replacement of an aging patrol vehicle, associated equipment and mobile laptops, at a combined cost of \$55,000.

*Fire Rescue* – This department budget includes the annual fee paid to the City of Delray Beach for Fire Rescue and Emergency Medical Services in Highland Beach. The preliminary fee set by the City is up over \$330,000. The majority of this increase is due to contractual raises for the employee salaries and overtime. Additionally, the Town has budgeted \$30,000 for repairs and maintenance to the building. The Town pays the City of Delray Beach the estimated budget

amount over equal monthly installments. At the close of the fiscal year, the City reconciles their actual costs and the Town is either issued a credit for overpayment or a bill for underpayment.

*Building Department* – The Building Department provides Building Permit Processing, Inspections, Plans Review, and Zoning Administration. The Town’s permit revenue is intended to offset all costs of the permitting operation over time but not necessarily within the same fiscal year. The proposed operating budget includes the transition of outsourced building official and code services to in-house staffing. This transition requires the hiring of 3 full-time employees. The net increase to the proposed building department budget is a little over \$125,000.

*Solid Waste* – The Town contracts with Waste Management for solid waste and recycling collection services. The Town is entering its final year of the 5-year agreement with Waste Management. The amount requested in this budget includes an agreed upon 3% increase for fiscal year 2018/2019. Over the next year, the Town will begin the RFP process to establish a new contract for services.

*Library* –The Library Department is a cultural center, providing resources for community enrichment. This includes books, audio-visual materials, periodicals, computer access, and senior and children’s activities. The Library operates on a small number of compensated staff, with a continued reliance on volunteer contributions. The recommended appropriation has decreased slightly due to insurance reductions and employee turnover.

*Interfund Transfer* – The general fund collects ad valorem taxes for debt payments as well as operating activities. The entire portion dedicated to debt is for the Water Fund. The General Fund transfers these funds to the Water Fund throughout the year. The total amount increased \$128,815 from the prior year. This is related to a State Revolving Fund (SRF) loan that was executed in 2017 to fund a water infrastructure improvement project. The water project was recently completed, allowing for the final draw on the loan to be requested. Bi-annual repayments begin in December 2018.

*Reserve for Contingency* – This budget represents a “catch all” for unforeseen, unbudgeted projects or events that occur throughout the year. The budget amount is slightly less than the prior year budget. Unspent funds roll back into the General Fund Unassigned Fund Balance.

## Discussion on Other Funds

### Discretionary Sales Tax Fund

Fund: 103 - IST FUND REVENUES	FY 2017 Actual	FY 2018 Budget	FY 2019 Requested	\$ Change	% Change
335.110 DISCRETIONARY SALES TAX	157,078	0	262,000	262,000	0

<b>Total Revenues</b>	157,078	0	474,000	0	0
Fund: 103 - IST FUND EXPENSES	FY 2017 Actual	FY 2018 Budget	FY 2019 Requested	\$ Change	% Change
531.000 PROFESSIONAL FEES	0	0	274,000	0	0
563.000 IMPROVEMENTS OTHER THAN BLDG.	0	0	200,000	0	0
<b>Total Expenditures</b>	0	0	474,000	0	0

The Discretionary Sales Tax Fund is a special revenue fund established to account for the collection and expenditure of proceeds of Palm Beach County's One Penny Infrastructure Surtax. The Town anticipates collecting approximately \$262,000 from the surtax.

Proceeds are dedicated for infrastructure related projects. The Town intends on using the funds to pay for the Ocean Walk and More Project, which includes the replacement of the Town's multi-purpose walk path and beautification of the surrounding areas. The budget request includes \$274,000 for an Urban Design/Landscape Architectural and Engineering Services. The budget request also includes \$200,000 for a complete overlay of the existing walk-path. This work is to improve the walk-path and provide the Town sufficient time to plan, design, and engineer a new walk-path.

### Water System Fund

OTHER USES	1,950	71,102	72,000	898	1.26%
<b>Total Expenditures</b>	3,332,446	5,019,749	4,644,485	-375,264	-7.48%

The Water System Fund is one of two enterprise funds the Town operates. The fund accounts for all revenues and costs associated with the treatment and distribution of potable water to the

Town's residents. The fund covers the salaries and benefits of 10 employees/plant operators, operating expenses of the system, debt service on the plant, and capital improvements. The costs of operating the plant are funded primarily by user rates billed to Highland Beach residents based on water consumption. The rates billed are adjusted each year by the Municipal Cost Index as reported by American City and County for the yearly change from July to July. Town-wide water consumption continues to decline year over year as homes are constructed with improved high-efficient faucets, toilets and other water systems. As such, revenues to support the fixed costs of water system are falling short and a rate study may need to be considered sooner than anticipated.

The budget includes approximately \$143,000 for various chemicals used in the daily operation of the Plant. Also, included in the proposed budget are requests for capital improvements, repairs, and replacements as follows:

- Repairs/Maintenance- Well piping modifications \$25,000
- Repairs/Maintenance- replace backflow devices \$15,000
- Repairs/Maintenance (catch all)- based on forecast trend analysis \$150,000
- Capital- Improvements to Building- re-pipe chemical skids- \$60,000
- Capital- Improvements to Building- rehab of well #7- \$175,000
- Capital- Machinery- Programmable Logic Controllers- \$185,000
- Capital- Machinery- Well #8 Pump- \$60,000
- Capital – Police Dispatch System with DelRay - \$69,000

As stated earlier, the Water Fund houses all of the Town's debt. Ad valorem taxes for debt service are transferred to the Water Fund from the General Fund throughout the year. Total debt service payments for fiscal year 2018/2019 total approximately \$1,558,000.

## Sewer System Fund

Fund: 401 - SEWER FUND REVENUES	FY 2017 Actual	FY 2018 Budget	FY 2019 Requested	\$ Change	% Change
CHARGES FOR SERVICES	1,053,354	1,070,190	1,109,000	38,810	3.63%

<b>Total Revenues</b>	1,060,797	1,456,135	1,414,000	(42,135)	-2.89%
Fund: 401 - SEWER FUND EXPENDITURES	FY 2017 Actual	FY 2018 Budget	FY 2019 Requested	\$ Change	% Change
OPERATING EXPENSES	994,084	1,277,510	1,274,000	(3,510)	-0.27%
CAPITAL OUTLAY	-	120,000	80,000	(40,000)	-33.33%
OTHER USES	-	58,625	60,000	1,375	2.35%
<b>Total Expenditures</b>	994,084	1,456,135	1,414,000	-42,135	-2.89%

The other enterprise fund the Town operates is a Sewer Fund. This fund accounts for revenues and costs associated with the collection, transmission, and treatment of the Town's wastewater.

The Town contracts with the City of Delray Beach for this service. The Town pays the City \$3.39/1,000 gallons of wastewater treated. The Town bills Highland Beach residents a flat rate per dwelling unit to recover the cost of wastewater services. The flat rate fee will increase on October 1, 2018 based upon the Municipal Cost Index as published by American City and County for the yearly change from July to July.

### Capital Improvement Plan

The Town's five-year capital improvement plan outlines the long-term capital needs of the Town. The plan includes suggested funding amounts for each of the next 5 years.

Fiscal Year	Fund	Project Name	Initial Cost (es)	Funding Source
2018-19	GF- Public Works	Climate Change Study	\$ 35,000	General Fund's Unassigned FB

2022-23	Water System	Well #8 Rehab	\$ 175,000	Water Fund's Unassigned FB

### Fund Balance

The Town's General Fund total fund balance is made up of a combination of financial resources to include: non-spendable (inventories), restricted (debt repayment fund), committed (designated by a resolution/ordinance), assigned (designated by policy), and unassigned (surplus/balance of funds). Staff anticipates the following fund balance totals at FY beginning October 1, 2018:

FUND BALANCE (Oct 1, 2018)	% of G.F. Budget	Amount
Assigned- Disaster Recovery	7.80%	\$950,000
Assigned- Budget Stabilization	16.70%	\$1,992,631
Committed- Appropriation	2.23%	\$271,116
Unassigned	45.08%	\$5,492,344
Total Fund Balance	71.46%	\$8,706,091

The Town's unassigned fund balance represents approximately 45% of the proposed FY 2019 General Fund budget for expenditures including transfers. Town policy on fund balance requires that a minimum of 16.7% (2 months of expenditures) of the then in effect General Fund budget be set aside (assigned) for budget stabilization. The current policy also requires that a separate amount be set aside for disaster recovery and that it be increased by \$100,000 each year up to a maximum of 8.3% of the then in effect General Fund Budget. The Disaster Recovery Fund Balance account will have \$950,000 on October 1, 2018. The Town's Committed Fund Balance represents the appropriation from reserve to balance the fiscal year 2018/2019 budget. Unassigned (surplus) fund balance totals an estimated \$8,706,000.

### Conclusion

The adopted budget provides for the continuation of the vital Town services our residents rely upon every day. The Town's tax rates and fees will continue to be among the lowest in Palm Beach County. The adopted budget includes pay increases for all Town employees, investment in capital purchases and improvements, using a conservative approach in forecasting both revenue and expenditures. We can be proud of our accomplishments in the current year, including the following:

- Upgrades to the Town's Network and Phone System
- Replacement of water main transmission lines in the Bel Lido neighborhood and all Highland Beach side streets.
- Repaving of roads in Bel Lido neighborhood.
- Completion of Water Treatment Plant upgrades (Calcite Remineralization System)
- Installation of License Plate Recognition Cameras at north and south ends of Town.
- Upgrade of Police Radios

Public Hearing #1 on the budget was held September 6, 2018 at 5:01pm.

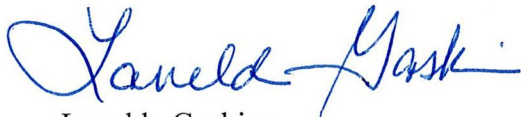

Public Hearing #2 on the budget was held September 21, 2018 at 5:01pm

### **Acknowledgements**

A municipal budget cannot be put together without a lot of assistance from the Department Directors and their staffs. I am very proud of the efforts of our employees to continue to offer the highest quality of services. This document is a team effort.

Together, the entire staff is pleased to present you with this budget that accounts for your priorities and demonstrates our commitment to keeping Highland Beach a premier beachside residential community.

Respectfully submitted,

Lanelda Gaskins  
Interim Town Manager

Krystal Strickland  
Interim Sr. Financial Analyst

## **RESOLUTION NO. 18-010 R**

**A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF HIGHLAND BEACH, FLORIDA, ADOPTING A FINAL MILLAGE RATE OF 3.1204 MILLS FOR THE TOWN'S GENERAL OPERATING FUNDS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2018, AND ENDING SEPTEMBER 30, 2019; PROVIDING THAT THE FINAL MILLAGE RATE OF 3.1204 MILLS IS 4.83 PERCENT GREATER THAN THE COMPUTED ROLLED BACK RATE OF 2.9765 MILLS; PROVIDING FOR SEVERABILITY, CONFLICTS AND AN EFFECTIVE DATE.**

**WHEREAS**, a final budget has been reviewed and considered by the Town Commission of the Town of Highland Beach, Florida, for the ensuing year, with detailed information, including revenues to be derived from sources other than ad valorem levy, and the Town Manager has made recommendations as to the amount necessary to be appropriated for the ensuing year;

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF HIGHLAND BEACH, FLORIDA:**

**Section 1.** That the final millage rate necessary to be levied against ad valorem valuation of property subject to taxation in the Town of Highland Beach, Florida, to produce a sufficient sum which together with departmental and other revenues will be sufficient to pay for appropriations made in the budget for the fiscal year beginning October 1, 2018, and ending September 30, 2019, is hereby set at 3.1204 Mills, plus 0.5986 for voted debt service, for a final millage rate of 3.7190.

**Section 2.** The final millage rate of 3.1204 is 4.83 percent greater than the computed rolled-back rate of 2.9765.

**Section 3.** If any clause, section or other part of this Resolution shall be held by any court of competent jurisdiction to be unconstitutional or invalid, such unconstitutional or invalid part shall be considered as eliminated and shall in no way affect the validity of the remaining portions of this Resolution.

**Section 4.** All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

**Section 5.** This Resolution shall become effective immediately upon passage.

The foregoing Resolution was moved by Commissioner Zelniker,  
seconded by Commissioner Riesa and upon being put to the vote, the  
vote was as follows:

## RESOLUTION NO. 18-011 R

**A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF HIGHLAND BEACH, FLORIDA, ADOPTING A FINAL BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2018 AND ENDING SEPTEMBER 30, 2019; DETERMINING AND FIXING THE AMOUNTS NECESSARY TO CARRY ON THE GOVERNMENT OF THE TOWN FOR THE ENSUING YEAR; PROVIDING FOR SEVERABILITY, CONFLICTS AND AN EFFECTIVE DATE.**

**WHEREAS**, a final budget has been prepared by the Town Manager estimating expenditures and revenues of the Town for the ensuing year, with detailed information, including revenues to be derived from sources other than ad valorem levy, and she has made recommendations as to the amount necessary to be appropriated for the ensuing year; and

**WHEREAS**, the Town Commission has met and considered the recommendations, the suggested budget, and the proposed millage necessary to be levied to carry on the government of the Town for the ensuing year.

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF HIGHLAND BEACH, FLORIDA:**

**Section 1.** That the final budget of the Town of Highland Beach, for the fiscal year beginning October 1, 2018 and ending September 30, 2019, is hereby adopted and the appropriations set out therein are hereby made to maintain and carry on the government of the Town of Highland Beach, Florida. There is hereby appropriated the sum of \$17,278,126 in new revenue, for the payment of operating expenditures for the Town Government pursuant to the terms of the above budget.

**Section 2.** All delinquent taxes collected during the ensuing fiscal year as proceeds from levies of operation millages of prior years are hereby specifically appropriated for the use of the General Fund.

**Section 3.** All funds appropriated for the 2017/2018 fiscal year, which are encumbered, but unexpended as of last day of the fiscal year, shall be deemed re-appropriated for the same purposes for the 2018/2019 fiscal year.

**Section 4.** If any clause, section or other part of this Resolution shall be held by any court of competent jurisdiction to be unconstitutional or invalid, such unconstitutional or invalid part shall be considered as eliminated and shall in no way affect the validity of the remaining portions of this Resolution.

**Section 5.** All Resolutions or parts of Resolutions in conflict herewith are hereby repealed to the extent to such conflict.

**Section 6.** This Resolution shall become effective immediately upon its passage.

The foregoing Resolution was moved by Commissioner Riesa, seconded by Commissioner Gossett-Seidman and upon being put to the vote, the vote was as follows:

Qty.	Type*	Item Description and Justification	Costs	
			Initial Purchase	Yealy O & M**
1	I	Well #7 Rehabilitation As per the recommendation of the well study conducted in FY18, acid clean well #7 to restore capacity. Account 563.000 - Improvements other than Buildings	\$175,000	
1	I	Elevated Storage Tank Touch Up Paint Touch up exposed rusted areas on edges of elevated storage tank until such time as entire tank is repainted. Account 546.000 - Repairs/Maintenance - General	\$25,000	
1	I	Production Well Piping Modifications Rereplace the FRP piping on well discharge lines with stainless steel to improve reliability and decrease maintenance. Account 546.000 - Repairs/Maintenance - General	\$25,000	
1	I	Production Well Backflow Devices As per the recommendation of the well study conducted in FY18, replace the backflow devices to prevent the introduction of high conductivity water from being introduced to wells when they are off-line. Account 546.000 - Repairs/Maintenance - General	\$15,000	
1	E	Programmable Logic Controllers Existing PLC's are original to plant (2005) and are becoming obsolete; difficult to find replacement parts and service. Also software compatability issues which compromise SCADA communications. Account 564.000 Machinery & Equipment	\$185,000	
<b>TOTAL</b>			<b>\$425,000</b>	<b>\$0</b>

\* B = Building, I = Improvement, E = Equipment, V = Vehicle, S = Software/Information Tech

\*\* On-going annual operating & maintenance costs to support this one-time capital purchase

Qty.	Type*	Item Description and Justification	Costs	
			Initial Purchase	Yealy O & M**
1	E	Well #8 Pump As per the recommendation of the well study conducted in FY18, replace the pump with one equivalent output as the other wells (6 & 7), so operating parameters would be more uniform & less complicated. Account 546.200 Renewals & Replacements	\$60,000	
1	B	Paint Blower Building, Degasifiers & Air Scrubbers Paint these items in order to improve aesthetics and preserve the integrity of the structures. Account 546.000 Repairs/Maint	\$35,000	
1	I	Re-pipe Chemical Skids Replace original PVC piping on caustic and chlorine skids with halar piping. This material is better suited for such chemicals and since it is fused rather than glued or threaded, it is less likely to fail or develop leaks. Account 546.200 Renewals & Replacements	\$60,000	
<b>TOTAL</b>			<b>\$155,000</b>	<b>\$0</b>

\* B = Building, I = Improvement, E = Equipment, V = Vehicle, S = Software/Information Tech

\*\* On-going annual operating & maintenance costs to support this one-time capital purchase
