

BE COUNTED, HIGHLAND BEACH

IMPORTANT INFORMATION ON THE UPCOMING CENSUS 2020

1

Letters will be mailed to every address starting March 12th with a census ID number for you to respond to the census.

2

For the first time you will be able to respond online using a computer, tablet or smartphone or by telephone.

3

There are 9 simple questions to answer about you and your family. There is no Social Security # required or citizenship question.

4

Everyone, even non-citizens can respond. If you are here on April 1st, whether you own, rent or tent you should respond.

5

Why? The Federal Government distributes tax money to each municipality based on the census count to fund roads, bridges, education, hospitals, healthcare, clean water, emergency services and many more initiatives. An estimated \$4,000 per person per year is on the line. Palm Beach County has been traditionally undercounted and therefore underfunded.
