“On behalf of our entire Palm Beach County Association of Chiefs of Police, and in alliance with the Florida Police Chiefs Association, we condemn the murder of Mr. George Floyd and the actions of Officer Chauvin and the inactions other law enforcement officers responsible for his preventable death.”

“These actions do not reflect any of our member agency’s policies, procedures, or training and the actions and inactions of all of the officers involved do not represent the high standards of professional excellence in law enforcement that we value.”
“We offer our deepest heartfelt sympathies to the family of Mr. George Floyd as well as our thoughts and prayers during this tragic time.”

“We are committed to protecting and serving the residents, business owners, and visitors to Palm Beach County and we will continue to maintain and further promote public trust within our communities.”
