The Development Order Approval process is explained more completely in the Highland Beach Code of Ordinances in Chapter 30. The Code of Ordinances is available on the Town website found at www.highlandbeach.us. **It is strongly recommended to schedule a pre-application meeting with the Town Planner prior to submitting a Development Order Approval application.**

**GENERAL PROCEDURES OF PLANNING BOARD MEETINGS AND/OR TOWN
COMMISSION MEETINGS**

If you intend to show the Town Commission and/or Planning Board drawings, photographs, copies of documents, maps, or other instruments, you will need to leave those instruments with the Town Clerk at the hearing or with the Town Planner prior to the meeting. By law, those instruments become public records and will **NOT** be returned to you.

You may appear at the public hearing/regular meeting in person or be represented by an authorized agent or attorney. If you cannot attend the public hearing, you should arrange to have an authorized representative appear on your behalf as the application can be acted upon by the Planning Board or Town Commission even in your absence. Prior to the meeting, you should also notify the Town Planner of your absence and who will appear on your behalf.

The Town Commission and/or Planning Board may continue the public hearing until a future date, in its sole discretion, if it needs further information or research on your application.

You may bring witnesses to testify on your behalf. Your presentation and witness testimony should relate directly to the Development Order Approval and whether your application satisfies the standards set forth in the Town of Highland Beach Code of Ordinances

Members of the public in favor or in opposition to your application may appear and testify at the hearing. Although the Town Commission and/or Planning Board have the power to vary the order of presentation, generally the Planning Board will ask the applicant and applicant's witnesses, if any, to make a presentation. After your presentation, members of the public are allowed to address the proposed Development Order Application. After public input, Town Commission and/or Planning Board may allow you to present argument in rebuttal to comments from the public. Staff members attending the meeting are there for the purpose of providing technical information to the Planning Board and/or Town Commission.

At the conclusion of the hearing, the Planning Board and/or Town Commission shall recommend approval, approval with conditions, or denial of the application.

If you wish to appeal any determination of the Planning Board and/or Town Commission, you will need a verbatim transcript of the record and copies of all evidence presented. It will be your responsibility to make arrangements for the preparation of that verbatim record at your expense.
